

UNCLAIMED CAPITAL CREDITS

By Jesse Singerhouse, General Manager

Each year Dunn Energy Cooperative returns a portion of your member equity or ownership in the cooperative to you in the form of capital credits. Generally speaking, each October we return about 4% of your capital credit balance in the form of a check or bill credit. We are still a few months away, but be on the lookout for more information on our capital credit retirement in the months ahead. In the local pages this month you will find a list of names. These members have not

cashied their capital credit checks from prior years. We hope that you can help us find these members. If you know any of these people, please have them contact us at 715-232-6240 or via email at info@dunnenergy.com.

Eventually, if capital credits go unclaimed, the money is sent to our Federated Youth Foundation to be used for local scholarships. Each year we are able to provide over \$15,000 in scholarships to local students whose

parents/guardians are members of our cooperative. (11213003)

Returning capital credits to member owners is a core principle of being a cooperative. We do our best to return those funds to our members and if that doesn't work out then we use that to invest in the future of our community.
